PETITIONING THE COURT

To modify the conditions of supervision as follows:

You shall contribute to the cost of treatment according to your ability. You shall allow full reciprocal disclosure between the supervising probation officer and treatment provider.
- 18 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
- 19 You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from this substance.

CAUSE

The petition for modification of the conditions of supervised release is made due to the defendant's history of illegal drug use. While serving his sentence, Mr. Castilleja completed the 40-hour drug and alcohol education program. Since his release, he has been referred to Merit Resource Service for a drug and alcohol evaluation.

Mr. Castilleja was advised of the potential impact this modification could have on his supervision, and he acknowledged this understanding verbally and with his signature. I am requesting his conditions regarding drug and alcohol treatment and testing be modified as noted in this petition in order to be in compliance with Ninth Circuit Case Law.
